

STATE OF MICHIGAN
COURT OF APPEALS

BRYAN MCDONALD,

Plaintiff-Appellant,

v

WESCO, INC.,

Defendant-Appellee.

UNPUBLISHED

May 23, 2006

No. 259528

Mason Circuit Court

LC No. 04-000185-NO

Before: Murphy, P.J., and O'Connell and Murray, JJ.

MURPHY, P.J. (*concurring*).

I concur that under the facts of this case the ice and snow were an open and obvious danger and that there were no special aspects that made the lot unreasonably dangerous. Accordingly, summary disposition being granted to the defendant was appropriate.
